## Global Markets Summer Internship Program

### Build your career.

You have earned the opportunity to flourish in an environment that is right for you. Our world class training and team approach will provide a firm foundation for your career.

Join us for our Global Markets Summer Internship Program, which runs from the beginning of July until the end of September 2005, and spend the summer in the city! Come take a look at our Trading & Sales areas and find out what makes us #1!

During your internship in our Fixed Income, Foreign Exchange, Equities and Research areas, you will have the opportunity to gain insight into how products are structured and sold to our clients. In addition, you will learn

what a career in Trading & Sales is all about through presentations and workshops led by some of the leading professionals in the business.

If you are interested to apply to the Summer Internship Program, please send a cover letter and CV via e-mail (English or German) to:
